

RE-ELECT MICHAEL CROWLEY FOR VICE PRESIDENT OF CUPE LOCAL 998

I am excited to announce my candidacy for re-election of Vice President of our union. As a dedicated employee of Manitoba Hydro for the past 20 years, currently working in the Infrastructure & Operations Department (IT), I have had the privilege of serving alongside our executive team to protect and promote the interests of our members for the last 6 years.

In my role as Chair of the Communications Committee, I work closely with our President to ensure that our members are always well-informed about important developments. I also serve on the Bargaining Committee, where we are currently engaged in negotiations to secure a fair and reasonable contract for all CUPE members.

Our union is a powerful advocate for the rights of workers, and I am proud to be part of a team that tirelessly works to ensure your voices are heard.

Together, we have tackled critical issues, including protecting our jobs from contracting out, and we continue to make strides that benefit our membership across the corporation.

I believe in the strength of collective action and the vital role our union plays in safeguarding the rights and interests of all workers. With your support, I look forward to continuing this important work as your 2nd Vice President.
