I am honored to announce my candidacy for re-election as Secretary-Treasurer of CUPE Local 998. With 20 years at Manitoba Hydro and 15 years as your Secretary-Treasurer, I have been responsible for overseeing the local's financial operations. My work has included transparent financial reporting, ensured fiscal stability, and adhered to governance and compliance practices.

In addition to my role at CUPE 998, I have served as a fiscal and compliance auditing trustee for CUPE Manitoba. Currently, I am the CUPE National Diversity Vice President Alternate for Indigenous Workers, the CUPE National Global Justice Committee Manitoba representative, and an appointed CUPE National Trial Panelist.

My experience includes chairing several committees such as the Bylaws Committee, Wages & Agreements Committee, and the Political Action Committee, as well as serving as a member of the Negotiations Committee and Steward.

Prior to my union involvement, I spent over 20 years as a Pension and Asset Advisor, specializing in governance and compliance for pension plans across Canada.

As Treasurer, I ensure financial accountability by managing union assets, providing accurate reports, and reviewing processes to maintain budgetary discipline. I remain committed to serving with integrity and transparency, following the CUPE National and CUPE 998 Constitutions.
