Land Acknowledgement Statement

Manitoba Hydro and its unions have a presence right across Manitoba on Treaty 1, Treaty 2, Treaty 3, Treaty 4 and Treaty 5 lands – the original territories of the Anishinaabe, Anishininew, Cree, Dakota, and Dene peoples and the National Homeland of the Red River Métis.

We also acknowledge the ancestral lands of the Inuit in northern Manitoba.

As part of reconciliation, CUPE and Manitoba Hydro acknowledge these lands and pay our respects to the ancestors of these territories. The legacy of the past remains a strong influence on Manitoba Hydro's relationships with Indigenous communities today, and we remain committed to establishing and maintaining strong, mutually beneficial relationships with Indigenous communities.

- A 1.2 New classifications created during the term of this agreement, which fall within the scope of the said Certificate, shall be added to Appendix "A".
- A 1.3 The Corporation recognizes Canadian Union of Public Employees, Local 998, as the sole bargaining agent for those employees of the Corporation to whom this agreement applies.
- A 1.4 The Corporation recognizes and shall not interfere with the right of its said employees to become members of the Union, and there shall be no discrimination, interference, restraint, or coercion by the Corporation or any of its agents against any such employees because of membership or activity in the Union.
- A 1.5 Without limiting the right of the Union to solicit employees to join the Union, the Union agrees that neither the Union nor its members, individually or collectively, will in any manner intimidate or coerce any employee of the Corporation with a view to influencing such employee to join the Union.
- A 1.6 The Corporation will provide the Union with a regular report of members currently employed at Manitoba Hydro. The report shall include information on employment conditions such as wages, classifications and work locations, as well as employees' home addresses. This information is to be used for Union business purposes only.

ARTICLE 2 CORPORATION RIGHTS

- A 2.1 Nothing in this agreement is intended nor shall it be construed as denying or in any manner limiting the right of the Corporation to control and supervise all operations and direct all working forces, including the right to determine the employee's ability, skill, competence, and other qualifications for the job, and to hire, discharge, lay off, suspend, discipline, promote, demote or transfer, and to control and regulate the use of all equipment and property and promote efficiency in all operations, provided however, that in the exercise of the foregoing Management rights, the Corporation shall not contravene the provisions of this agreement.

- A 2.2 In carrying out their responsibility to administer this Collective Agreement, the employer and the Union agree to act reasonably, fairly, in good faith and in a manner consistent with the Collective Agreement as a whole.

ARTICLE 3 DURATION, RENEWAL OR REVISION OF AGREEMENT

- A 3.1 This agreement shall become effective from and including the 1st day of January, 2025, except as otherwise expressly provided, and shall continue in force and in effect up to and including the 31st day of December, 2027, and thereafter from year to year, as hereinafter provided unless renewed or terminated.
- A 3.2 If either party to this agreement desires to renew or revise this agreement, then not less than 90 calendar days nor more than 180 calendar days prior to the 31st day of December, 2027, such party shall give written notice to the other party of intent or desire.
- A 3.3 Following receipt of the written notice referred to in Article A 3.2 requesting a renewal or revision of the agreement, the parties shall exchange particulars related thereto not later than 60 calendar days prior to the expiry date of the Agreement and be prepared to commence negotiations not later than 50 calendar days prior to the expiry date of the Agreement.
- A 3.3.1 Only those matters referred to in the said particulars shall be discussed at such negotiations unless otherwise mutually agreed upon.
- A 3.4 The President of the Union, with prior approval from the Executive of the Union, and the Manager, Employee and Labour Relations Department of the Corporation, acting jointly, may from time to time by Letters of Understanding in writing signed by them, amend or interpret the provisions of this agreement and the parties shall be bound by any such amendment or interpretation.

- A 3.5 No part of a renewed or revised agreement shall have a retroactive effect unless specifically so provided.
- A 3.6 Should any law now existing or hereafter enacted, or any proclamation, regulation, or edict invalidate any portion of this agreement, the entire agreement

shall not be invalidated thereby and either party hereto may reopen negotiations on the invalidated portion by giving notice to the other party.

A 3.6.1 Following receipt of the written notice and particulars of the invalidated portion of the agreement, the receiving party shall be prepared to commence negotiations within 30 calendar days of receipt of said notice and particulars.

ARTICLE 4 MEMBERSHIP DUES

A 4.1 Commencing on the first payday following the execution of this agreement, and on each payday thereafter, the Corporation shall deduct from the wages of each employee covered by this agreement, beginning with the second pay period following commencement of employment and for each pay period thereafter, an amount equal to the regular biweekly Union membership dues established from time to time by the Union and shall pay said amount to the Union on behalf of the employee. The Corporation shall remit this amount to the Union on the Friday following payday. Follow-up adjustments will be made if required.

A 4.2 The Union shall indemnify and save harmless the Corporation from and against any losses, damages, costs or expenses suffered or sustained by the Corporation as a result of any such deduction or deductions from the wages of an employee unless such losses, damages, costs or expenses were suffered or sustained as a result of the negligence of the Corporation.

ARTICLE 5 NOTICES

A 5.1 Every notice, which may be required to be given or served pursuant to this agreement, shall be in writing, dated and signed by the party giving the notice.

A 5.2 Notice to the Corporation may be given or served by personal service on an officer of the Corporation or by sending the notice by registered mail, addressed to the Manager, Employee and Labour Relations Department, People Services and Operations Division of the Corporation, Post Office Box 815, Winnipeg, Manitoba R3C 2P4, or to such other office or to such other address as the Corporation may by notice in writing to the Union designate.

A 5.3 Notice to the Union may be given or served by personal service on the President of the Union or by sending the notice by registered mail, addressed to Canadian Union of Public Employees, Local 998 office, or such address as the Union may by notice in writing designate.

ARTICLE 6 RIGHT OF THE CORPORATION TO INFORM EMPLOYEES

- A 6.2 The Corporation shall have the right at any time to communicate directly with all employees, collectively or individually, by any means, in order to inform, advise or otherwise establish understanding on any subject of mutual interest. Every effort will be made to provide the Union with a reasonable period of notice in advance of corporate-wide communication.

ARTICLE 7 GRIEVANCE AND ARBITRATION

Grievance

- A 7.1 If a grievance arises, there shall be no suspension of work. The parties recognize the desirability of resolving issues of dispute within the workplace in a timely manner.
- A 7.2 The Corporation recognizes the right of union members to have representation by the Union throughout the grievance process.
- A 7.3 CUPE recognizes the right of Line Management to be accompanied by a member of Human Resources throughout the grievance process.
- A 7.4 No employees shall be members of the Grievance Committee during the settlement of their own personal grievance. However, employees shall have the right to attend any joint meeting or hearing pertinent to their grievance.
- A 7.5 The parties jointly recognize the value in resolving disputes based on the merits of the substantive issues involved.
- A 7.6 In circumstances where it is not possible to process grievances within the specified time limits, they may be varied by arrangement between the parties.
- A 7.7 A permanent transfer will not be made while a grievance is in process and in any case during the first 10 working days following issue of notification to the unsuccessful applicant. An unsuccessful applicant who alleges inappropriate selection, will have 10 working days from the date of notification to lodge a grievance at Step II of the Grievance Procedure.

A 7.8 **Grievance Procedure**

Employee Grievance

A7.8.1 Step I

Employees (individually or as a group) who believe they have a grievance and allege a violation of this agreement, or who believe they have been unjustly treated in the application or interpretation of this agreement, shall first approach their immediate supervisor and attempt to resolve the matter at that level.

A7.8.2 Step II

If settlement is not reached in Step I, the Union Grievance Committee will further review the circumstances of the case and if it considers the grievance still valid, it shall, within 20 working days of the date of the issue giving rise to the grievance (10 working days in the case of alleged inappropriate job selection, suspension, or discharge), submit the grievance in writing to the Employee and Labour Relations Department. Employee Relations will arrange a meeting with the appropriate Division Manager within 5 working days following receipt of the completed grievance form, with a meeting to be held within a further ten (10) working days from the date it is scheduled. The Division Manager's decision shall be rendered within 5 working days of the meeting.

In exceptional circumstances and with mutual agreement, the parties may advance the grievance directly to Step III; including the applicable timelines.

A7.8.3 Step III

If settlement is not reached in Step II, the Union Grievance Committee may, within a further 5 working days, inform the Employee and Labour Relations Department of its intent to proceed to Step III. A meeting will be arranged with the appropriate Vice-President or a delegate within 5 working days, and the meeting will be held within a further 10 working days from the date it is scheduled. The Vice-President's decision shall be rendered within 5 working days of the meeting.

A 7.9 If the Grievance Committee and the Corporation settle a grievance, which involved the discharge or suspension of an employee, and agree that the employee was unjustly discharged or suspended, the employee shall be reinstated without loss of pay or any other benefits under the terms of this agreement, retroactive to the time of discharge or suspension, provided the

employee affected can prove they/them were willing and able to carry on working throughout the period for which the discharge or suspension was in force.

Policy Grievance

A 7.10 Either the Union or the Corporation shall have the right to initiate a grievance of an alleged violation of a general nature resulting from the application of the terms of this agreement. The article alleged to have been violated must be identified at the time the grievance is submitted.

Such grievances initiated by the Union shall be made to the Manager of Employee and Labour Relations Department and such grievances initiated by the Corporation shall be made to the President of the Union, and in either case shall be within 20 working days from the date of the action giving rise to the grievance.

A meeting with representatives of the Union and the Corporation shall be held within 5 working days of receiving the grievance.

In the event settlement is not reached, either party may, within a further 30 working days, submit the grievance to arbitration.

Arbitration

A 7.11 If settlement of any grievance is not reached, then either the Corporation or the Union may submit the matter to arbitration.

A 7.12 Arbitration proceedings shall be instituted by either party serving upon the other a written notice to arbitrate within a period of 30 working days following receipt of the appropriate Vice-President's decision to the grievance at Step III.

A 7.13 Each party shall, within 5 working days of service of the notice referred to in Article A 7.12 appoint a member to a Board of Arbitration. The two members so appointed shall then choose a chairperson. If the members are unable to agree on a chairperson within 10 working days of the serving of said notice, they shall request the Manitoba Labour Board to appoint a chairperson.

A 7.13.1 In order to expedite the arbitration process, the parties agree that they may utilize a single arbitrator rather than a Board of Arbitration.

The parties will meet within 5 working days of the service of notice referred to in Article A 7.12 to discuss the issue and upon mutual agreement, a single arbitrator rather than a Board of Arbitration may be utilized.

If the parties cannot agree to a single arbitrator, they shall request the Manitoba Labour Board to appoint a Chairperson.

- A 7.14 A Board of Arbitration appointed pursuant to Article A 7.13 shall meet and hear evidence from both sides and attempt to issue an award within 30 calendar days after the completion of the hearing of evidence. An award by a majority of the Board of Arbitration or in the absence of an award by a majority, then the award of the Chairperson shall be deemed to be the award by the Board and shall be final and binding on all parties concerned. If the Board of Arbitration does not issue the award within the specified 30 calendar days, either party may request the Minister of Labour of the Province of Manitoba to consult with the parties and the Board of Arbitration for the purpose of expediting the settlement of the grievance.
- A 7.15 The Corporation and the Union agree that each will bear an equal share of the fees and expenses, if any, incurred as a result of the appointment of a chairperson to the Board of Arbitration.
- A 7.16 A Board of Arbitration shall not have any authority to alter or change any of the provisions of this agreement, or to substitute any new provisions in lieu thereof, or to make any award contrary to the terms or provisions of this agreement.
- A 7.17 A Board of Arbitration shall have the authority to determine whether any matter referred to it is arbitrable.
- A 7.18 The parties may, in certain circumstances, mutually agree to act as advocates themselves in the matter, rather than utilizing legal counsel. It is recognized that legal counsel may be consulted but will not present the case at arbitration.

ARTICLE 8 UNION REPRESENTATION, COMMITTEES/MEETINGS

- A 8.1 The Union may elect or appoint a steward from each of the various departments. The Union shall provide the Corporation with a list of stewards and others authorized to act on its behalf.
- The Union shall also keep the Corporation informed at all times as to the names of its officers and members who may be appointed or elected from time to time to any executive, grievance or negotiating committee.
- A 8.2 When practicable, meetings between the Corporation and the Union shall be held during regular working hours.
- A 8.3 Subject to the provisions of Articles A 8.4 and A 8.5, employees who are representatives of the Union and who attend meetings held during regular working hours shall be deemed to be carrying on their normal work under this agreement and shall receive their usual remuneration from the Corporation while in attendance.

- A 10.2 As an alternative to contracting out, and where practicable the Corporation may hire term employees in a manner specified in Article C 1.15 of the Collective Agreement. Providing they have the qualifications and abilities to perform the work, employees who are currently on lay-off or to be laid off, or prior to exercising their bumping rights will be considered prior to hiring term employees.

- A 10.5.1 Written notice shall be given to the Union, where the contract or loan period exceeds 30 days.

- C 1.12.2 At the expiry of approved leave of absence, an employee fails to return to work, unless such failure results from sickness or accident.
- C 1.12.3 An employee fails to respond to recall within a period of 10 working days following a layoff, providing notice of such recall was delivered by registered mail to the last known address of the employee, unless such failure results from sickness or accident.
- C 1.13 Previously accumulated union seniority and corporate service will be reinstated for employees who are rehired within one year of being terminated. The seniority

date will be adjusted by the length of time the employee was not employed by the corporation.

C 1.14 The Corporation shall maintain seniority records for employees covered by this agreement.

C 1.14.1 For employees, the list will be published in April of each year and will show employees' classification at the time of publication, the date they entered the classification, their union seniority date and their corporate service. Lists will be published in order, based on union seniority date within the classification.

C 1.14.2 Seniority lists will be provided to the Union and also distributed in the same manner as Employment Circulars.

Term Employees

C 1.15 A "Term" employee will be subject to all terms and conditions of the Collective Agreement, except as follows:

C 1.15.1 A term employee will be terminated at the completion of the term or during the term due to a reduction of workload or completion of a project.

C 1.15.2 The length of employment for a term employee will be determined by:

- a) the specific time frame for the temporary position the applicant is hired for, or
- b) the length of the project the applicant is hired for.

C 1.15.2.1 The Union will be notified of all term employees hired and their length of employment.

C 1.15.2.2 Extensions to the length of the employment of a term employee will require Union concurrence.

C 1.15.3 Term employees will have no rights of layoff, placement, displacement, bumping or recall and will not be eligible to be displaced or bumped.

C 1.15.3.1 Term employees may be terminated to accommodate the placement of laid off employees or redundant employees due to be laid off, who are qualified and have the ability to perform the work.

C 1.15.4 Term employees will not be eligible to exercise the provisions of Article F 4.3 (Personal Leave) of the Collective Agreement.

C 1.15.5 The Corporation and the Union may at any time mutually agree that a term employee cease to be designated as a "term employee".

C 1.15.5.1 Term employees who have worked in the same position for 24 consecutive months or more with breaks in service of no greater than 2 weeks and who have no discipline for serious misconduct on their personnel file, shall be granted staff status. This will not apply to employees where the initial term of employment was greater than 24 months.

Summer Students

C 1.16 "Student employees" will not accrue corporate service or union seniority toward completion of the probationary period.

C 1.16.1 Students that are converted to staff, term, or part time status shall have their continuous service as a student recognized retroactively back to their last hire date.

ARTICLE 2 HOURS OF WORK

C 2.1 The basic hours of work used to calculate the salary schedules shown in Appendix "A" of this agreement are:

Seven hours and 55 minutes (7.92 hours) daily during a 9-day biweekly pay period, for a total of 73.7 hours biweekly, or 1916 hours annually.

The biweekly pay period will generally consist of 9 regularly scheduled workdays. The first week in a biweekly work period will normally have four regular workdays, scheduled from Tuesday to Friday. The second week in the biweekly pay period will normally have five regular workdays, scheduled from Monday to Friday. There will be exceptions to the above work schedule in pay periods that have a Corporation Holiday (see attached work calendar). Employees are paid 73.7 basic hours bi-weekly (1916 hours annually over 26 pay periods).

Employees working the 9-day work cycle will be entitled to 18 Regular Days Off (RDO) each year, made up of a combination of fixed Mondays off arising from the application of this article, plus additional individual RDOs to be taken at a time mutually agreed between the employee and his/her supervisor.

C 2.1.1 The Corporation and Union agree that in those payroll years when there are 27 pay periods, a further reconciliation will occur to ensure that hours worked (including Corporate Holidays) over that year are

equivalent to hours paid. More specifically, the Corporation will provide employees (in a manner to be decided by the Corporation) with the difference between 79.2 hours worked minus 73.7 hours paid in the 27th pay period.

 Pay period ending
 Corporate holiday
 Normally scheduled Monday off
 Last pay period ending in fiscal year
 Easter - Eligible employee receive 7.92 hours of vacation credits

Nine (9) Day Work Cycle

- C 2.2 The 9-day work cycle will be a universal plan covering all regular day workers and those employees working a 2-shift operation Monday to Friday, and where practicable those employees working a 3-shift operation Monday to Friday.
- C 2.3 A shift schedule for employees working on a 2-shift basis and 3-shift basis under the provisions of Articles C 3.3 and C 3.4 shall be established in accordance with Article C 3.1.

The conditions of the 9-day cycle are as follows:

- C 2.4 The regular daily hours of work will be 7 hours and 55 minutes. These daily hours shall be worked between 08:00 and 18:40, except for employees working under the provisions of Articles C 2.11, C 2.13 and C 2.15.
- C 2.5 The first Monday of each pay period will be a non-working Monday except for those pay periods that include a Corporation Holiday. There will be no Monday off in a pay period that includes a Corporation Holiday.
- C 2.6 Where service to customers, contact with the public or where job requirements make it necessary to keep offices open, the Corporation will stagger scheduled days off so that not all staff will be off on any one Monday.
- C 2.7 Overtime rates of pay as provided in Article D 1 will apply only to those hours worked in excess of the regular daily hours as set out in Article C 2.4. An employee required to work on her/his scheduled day off will be paid overtime as provided in Article D 1.2.
- C 2.8 During this period, the basic salary for biweekly rated employees will remain constant. Hourly employees will be paid on the basis of hours worked.
- C 2.9 Vacation, bereavement leave, and sick leave credits will be utilized at a rate of 7.92 hours per day.
- C 2.10 Summer students who work 10 days by mutual agreement during any 9 day work period will receive straight time rates for the 10th day. Overtime rates of pay will otherwise apply as noted above.
- C 2.11 Because of the nature of their duties and responsibilities, employees in designated classifications are required, as part of their job descriptions, to work irregular hours during weekdays (Monday to Friday, Mondays off to be treated as a normal work day). These employees will work 7.92 hours per weekday; however, the start and end time of these hours can be adjusted by management

with two weeks' notice to accommodate business requirements. No overtime shall be paid for the hours of work, so long as the required notice is given and the hours worked do not exceed 7.92 hours per day.

C 2.11.1 Designated classifications shall be those whose duties and responsibilities regularly require employees to be available to meet with customers outside of normal working hours, including Right-of-Way Agents.

C 2.11.2 Employees who wish to maintain flexibility can, with management approval, continue to exchange time worked for time-off on a straight time basis.

C 2.12 All hours shall relate either to system time or local time, whichever in the opinion of the Corporation is best suited to system operation.

C 2.13 Employees, temporarily assigned or transferred to a department or division where the hours of work differ from those to which they have been accustomed, shall work the regular hours set for the department or division to which they have been temporarily transferred or assigned. Any additional hours worked to meet the new schedule shall be paid for at the basic hourly rate.

C 2.14 When either the Corporation or a group of employees affected consider it desirable to establish a workday, a work week or a work schedule other than those described in this Article, any such changes shall only be made following mutual agreement between the Union and the Corporation.

C 2.14.1 The Corporation, with the Union's input, will establish a consistent process and criteria when evaluating the merits of any alternative work schedule proposal put forward by the Union.

C 2.15 Where feasible and practical, employees may request flexibility in starting and finishing times within certain limits. Requests will be made in writing to the employee's supervisor. The supervisor's decision will be provided in writing, and will include reasons if the request is denied. Requests will not be unreasonably denied.

C 2.15.1 Employees' work schedules must meet the operational requirements of their work area as determined by their supervisor.

C 2.15.2 The "core hours" of work for all full-time employees will be 9:00 a.m. to 3:30 p.m. (excluding lunch).

C 2.15.3 Employees may commence their workday between 7:00 a.m. and 9:00 a.m. and end their workday at/or between 3:30 p.m. and 5:30 p.m. (reflecting standard hours of work of 7 hours and 55 minutes per day, 9 days biweekly).

- C 2.15.4 Employees will receive an unpaid meal break of not less than ½ hour and not greater than 1 hour.
 - C 2.15.5 Employees shall be allowed a rest period of 15 minutes in the morning and in the afternoon, within a period established in the department in which they are employed.
 - C 2.15.6 Subject to the approval of their supervisor, employees will designate their daily starting and finishing times, which will normally remain in effect on an ongoing basis. From time to time, employees may vary their start/finish times, but are expected to keep their supervisor aware of such changes.
 - C 2.15.7 Employees may, with reasonable notice, revert back to normal working hours in accordance with Article C 2.4 when a flexible work arrangement is no longer necessary or desirable.
 - C 2.15.8 In instances where an employee is approved, for personal reasons, to work hours outside the scope of Article C 2.15.3, the Union shall be notified of any such modification of hours.
- C 2.16 When employees request to work additional hours in excess of the daily hours of work outlined in Article C 2.4 as compensation for prearranged leave, they may, with approval of their supervisor, work up to a maximum of 40 hours per week (including the regular hours of work). Such exchange will be on an equal time basis and not on a rate of pay basis.

Gillam Hours of Work

- C 2.17 The basic daily hours of work for Gillam employees will be 7 hours and 21 minutes (7.35 hours).
 - C 2.17.1 The biweekly pay period will consist of 10 regularly scheduled working days, Monday to Friday inclusive, with the exception of pay periods in which a Corporation Holiday occurs. The average biweekly hours will be 73.7 hours.
 - C 2.17.2 Overtime will apply after 7 hours and 21 minutes per day, and employees will work 1.5 hours guaranteed overtime per day, resulting in total daily hours of 8 hours and 51 minutes (8.85 hours).

- C 4.1.1 Discrimination and harassment are defined in P597 - Discrimination and Harassment Free Workplace.
- C 4.2 The Corporation will NOT knowingly exercise, practice or condone any discrimination, harassment, reprisal, restriction, interference, or coercion of or by its employees based upon characteristics that include: ancestry, including colour and perceived race; nationality or national origin; ethnic background or origin; religion or creed, or religious belief, religious association or religious activity; age; sex, including pregnancy, the possibility of pregnancy, or circumstances related to pregnancy; gender identity and expression; sexual orientation; marital or family status; source of income; political belief, political association or political activity; physical or mental disability or related characteristics or circumstances
- The parties acknowledge that discrimination in employment may be justified if

it is based upon bona fide and reasonable requirement for the employment or occupation.

C 4.2.1 The parties agree that there shall be no discrimination or harassment on the basis of membership or activity in the Union.

C 4.3 Without restricting the generality of this Article the parties have agreed to the following investigation procedures and resolution:

1. Under this procedure, a complaint of harassment or discrimination shall be made in writing to the Investigation Officer.
2. In lodging a complaint, the employee may be accompanied by a representative of the Union or any other person they choose. All complaints and inquiries shall be treated in confidence.
3. The timeframe for filing a complaint shall be within 6 months of the alleged harassment or, where the alleged harassment or discrimination is of a continuing nature, within 6 months of the last alleged instance.
4. The Investigation Officer will not disclose the name of a complainant or the circumstances related to the complaint, except where disclosure is necessary for the purposes of investigating the complaint or for taking disciplinary measures.
5. Upon receiving a written complaint, the Investigation Officer shall determine whether the incident(s) on which the complaint is based would fall within the definition of harassment or discrimination as defined in this procedure. If, in the opinion of the Investigation Officer, the incident would not constitute harassment as set out in this procedure, the Investigation Officer will advise the complainant and discuss the basis for this decision. A written confirmation will be sent to the complainant.

- c) Determine whether or not the complaint has been sufficiently substantiated to justify further action. The Investigation Officer may dismiss a claim where the complaint is frivolous or vexatious and/or the evidence in support of the complaint is insufficient. The complainant and/or the respondent shall be notified in writing of the disposition of such a complaint.
7. The Investigation Officer is responsible for and has authority to investigate a complaint, bring the investigation to a timely resolution, and report findings to the Division Manager, Human Resources.
 8. Where the findings indicate that the termination or transfer of an employee is appropriate, the Division Manager, Human Resources, will make a recommendation to Senior Management. Senior Management will respond to the recommendation within 10 working days.
 9. Where the findings indicate that disciplinary action other than termination or transfer is appropriate, the Division Manager, Human Resources, will make a recommendation to the appropriate level of line management. Management will have 10 working days to respond to the Human Resources Division Manager's recommendation.
 10. The Investigation Officer shall notify both the complainant and the respondent on the date that a recommendation is made to management, but not of the content of the recommendation. Both the complainant and respondent shall be notified in writing as to the course of action to be taken to resolve the complaint. Such notification shall be made within 15 days from the date the original recommendation went forth to management.

 - b) The Director, People Services and Operations, be given the time required to advise the appropriate Vice-President of the necessity of the action.
- C 4.5.1 In accommodating the request, the Corporation may determine that the complainant or the respondent will be re-assigned. The re-assigned employee will do so, without loss of pay, until:
- the complaint is investigated and resolved or;
 - the alleged source of harassment or discrimination is removed or;
 - the complainant retracts their request.
- C 4.6 A grievance may be lodged under this Article where it is alleged that the Corporation has not properly discharged its obligation to provide employees with a work environment free from harassment or discrimination. The timeframe for filing a complaint shall be within 6 months of the alleged harassment or discrimination or, where the alleged harassment or discrimination is of a continuing nature within 6 months of the last alleged instance.
- C 4.6.1 If the person who would receive the grievance at any step is alleged to be involved in the harassment or discrimination, the grievance may be initiated at the next higher step.
- C 4.7 An Arbitrator shall have the authority to recommend a remedy and shall be guided by the decisions and practices of the Manitoba Human Rights Commission in resolving Sexual Harassment complaints. The authority of the Arbitrator shall be equivalent to the authority of an "adjudicator" as established under the Manitoba Human Rights Code.
- C 4.8 The Corporation's Guideline (P597) regarding Discrimination and Harassment Free Workplace will not be changed without consultation of the Union.

ARTICLE 5 SCHOOLS AND TRAINING

Should a specific course include a laboratory period in conjunction with the day lectures, then additional time off not exceeding 3 hours plus travelling time per week may be arranged. In any event, the total time off during any workday shall not exceed 3 hours plus travelling time and will only be granted for those courses not available outside normal working hours. These provisions will be subject to the workload conditions in the specific department affected.
- C 5.3 Where employees request and receive Corporate approval to attend a conference or seminar, all or part of which is outside of normal working hours, they shall receive straight pay for normal hours of work only. There will be no additional pay for extra hours of attendance or travel. They will be reimbursed for registration, and where required, travel and accommodation costs in accordance with, Article H 1.1
- C 5.4 Where employees are required, as part of their job, to attend mandatory training including conferences, seminars, or sponsored school, all or part of which is outside of normal working hours, they shall receive pay at the applicable overtime rates for travel on the first and last day of the assignment. - C 6.2 The posting of all positions as provided in Article E 1 is contingent upon this Employment Equity language remaining in effect.
- C 6.3 The parties will discuss, with the aim of reaching mutually acceptable solutions, such employment equity issues that may arise.
- C 6.4 The Union will suspend the posting and selection procedure of the collective agreement in favour of the following arrangement:
- a) Union and Management will establish a joint advisory committee of equal representation which will develop placement criteria for this program.
 - b) The Corporation will identify to the committee, vacant positions which it proposes be filled through this program.
 - c) The Corporation will provide the Committee with information on the Corporation's ongoing efforts to facilitate employment equity and will exchange information concerning recruitment practices, selection standards, working conditions and training.

 - iv) Receive input from the Union concerning members of the Union who might qualify for inclusion in the program.

- e) Individuals may be hired who can perform only a portion of the duties of a classification. The parties agree to establish a rate of pay which will reflect the work the applicant is capable of performing. Any further salary adjustments will require bargaining unit concurrence.

Pre-Placement Training Programs

- C 6.5 The general purpose of pre-placement training programs is to provide on-the-job training and orientation to prepare employment equity designated group candidates for entry-level positions and training programs. The training period will be dependent upon the nature, extent and rate of growth of the trainee's job-related skills. There will be no guarantee of employment beyond the pre-placement training. Dependent upon requirements, trainees may be hired for regular employment in accordance with established hiring practices for the various classifications.
- C 6.6 Participants in a program will be a supplement to Manitoba Hydro's normal work force requirements.
- C 6.7 With the exception of the initial period of job readiness training (to be determined at the inception of the program), participants will normally work the hours and schedule established for the location and the work group to which they are assigned.
- C 6.8 All terms and conditions of the collective agreement will apply to the participants with the following exceptions:
 - a) Time accumulated during pre-placement training will not count toward completion of probationary periods or union seniority except that:
 - i) If a participant successfully completes a program and, within 12 months after completion is employed in a related job or accepted into a related regular training program, the participant will receive credit for the time spent in the program for the purpose of completing the probationary period and union seniority accrual.
 - b) If a participant successfully completes a program and, within 12 months of completion is employed in a related job or accepted into a related regular training program, the participant may receive credit for time spent in the program for the purpose of future progression. The amount of credit will be determined by the circumstances of the specific program.
 - c) Participants will be paid an appropriate hourly rate of pay during the entire pre-placement training. The rate will be determined by the circumstances of the specific program.

- d) Participants will not be subject to displacement or bumping under the terms of Article I 2 of the Collective Agreement during the pre-placement training.

 - 1. As the programs are dependent upon the funding received, individuals employed under these programs will not be subject to displacement or bumping under the provisions of Article I 2 of the Collective Agreement for a period of 1 year from the date of hire. Individuals employed under these programs shall not accrue union seniority with respect to bumping and/or displacing other Manitoba Hydro employees during the 1 year term.
 - 2. Any union seniority accrued during employment with Manitoba Hydro for employees in these programs shall be recognized for job selection purposes, however, prior to any appointment to temporary positions without posting during the term, concurrence must be received from the Union.
 - 3. If employees in these programs have not secured alternate employment during their 1 year term, their employment will be terminated following expiration of their 1 year term.
 - 4. Following the expiration of the program and provided that employees in these programs have not secured permanent employment, they shall be given first consideration for any vacancies for which they are qualified, ahead of external applicants. This consideration shall extend for 12 months beyond the expiry of the program.
 - 5. The Union will be notified prior to any individuals commencing employment under these programs and any placements following their initial term.

Section D - Inconvenience

ARTICLE 1 OVERTIME

- D 1.1 It shall be the responsibility of employees to maintain their normal work at a satisfactory state of completion at all times.
- D 1.2 All overtime work shall be paid for at the rate of 2x, except as noted in Articles C 2.11, C 2.13, C 2.15, Articles D 1.3, D 1.10.1, Articles H 2.2, H 2.3, H 2.5, H 2.7, H 2.8, and Articles C 5.1, C 5.2 and C 5.3.
- D 1.3 In order to bring work to a suitable conclusion, as a convenience to an employee and where an employee is away from their headquarters zone and where direct supervision is not available, an employee may elect to continue working for a maximum of 6 hours, including travel time beyond normal working hours, in which case the employee will be paid for the 6 hours or any portion thereof at basic (straight time) rates.
- D 1.4 Overtime is time worked by an employee during hours which are not scheduled as their regular working hours except as outlined in Article D 1.3.
- D 1.4.1 When employees are required to report to work a second or more times in a workday because of overtime, transportation expenses will apply.
- D 1.5 An employee who has worked overtime shall not be laid off to equalize such overtime.
- D 1.6 It is understood that an employee will work such overtime and perform such work as the Corporation may deem necessary to maintain efficient operations and render appropriate service in connection with its obligations to supply electric power on a continuing basis. However, it is also understood that the Corporation will not unreasonably deny a request from an employee to be excused from an overtime work assignment, nor discriminate against an employee who requests to be excused from an overtime work assignment.
- D 1.7 Unless specifically provided in this agreement, premium rates of pay will not be compounded.

D 1.8 An employee who, because of a call-out or overtime, has not had 8 hours rest in the 8 hour period prior to normal working hours shall be granted either time off without loss of pay beginning at the normal starting time equivalent to the shortfall of rest time, or when requested, will continue to work these hours at 2x the basic rate of pay plus straight time for the amount of time that the rest period overlaps normal working hours, after which it shall revert to basic (straight time) rate of pay.

D 1.8.1 It is the intent of the parties to this agreement to provide the rest time but where this is not possible in an emergency, the major consideration shall be the safety of the employee.

D 1.9 When employees are not notified of cancellation of overtime prior to the normally scheduled quitting time on the regular workday preceding the overtime requirement, they shall be paid for 2 hours at the basic (straight time) rate. When employees are not notified of cancellation of overtime and they report to work, they shall be paid two hours at double time.

Banking of Overtime

D 1.10 With prior approval, an employee may elect to bank overtime hours worked and credit these hours to an "overtime bank" for the purpose of receiving leave of absence with pay at a future date, working conditions permitting. Overtime will be accumulated in the "overtime bank" at the hour value that it is earned, i.e., 2x for 1 hour is equal to 2 basic hours in the bank. The maximum amount of time to be credited to the bank during a vacation year is 100 hours.

D 1.10.1 When the "overtime bank" is fully credited and an employee who is requested to work overtime chooses to exchange work for time off, or time off for work, such exchange shall be at a mutually agreed time on an equal time basis, and not on a rate of pay basis. Arrangements for such time off shall be confirmed within 30 calendar days.

D 1.10.2 In the event the employee is instructed to take the time off in lieu of pay, such time off will be on a rate of pay basis and not on an equal time basis.

D 1.10.3 Banked overtime will be taken at a time mutually agreeable to the employee and the Supervisor, normally in units of not less than 1 hour.

D 1.10.4 On request, an employee may have the total overtime bank balance, or any portion thereof, paid off at the employee's current basic rate of pay.

D 1.10.5 When all banked overtime cannot be taken during a vacation year, an employee may carryover the remaining overtime credits to the following vacation year. Where working conditions permit, the

employee may bank and utilize an additional 100 hours in the following vacation year providing the total of outstanding carried over and currently banked credits at no time exceeds 100 hours.

Overtime Meals

- D 1.11 Employees who are required to continue working 3 hours or more after their normal quitting time and are not allowed sufficient time to return to their residence for a meal, will be eligible for a meal and meal break. Where employees are required to continue working beyond the initial 3 hours, they will be eligible for an additional meal and meal break at 3 hour intervals of continuous work thereafter.
- D 1.12 Employees who report to work a second or more times on a work day, or are performing overtime work on a normal day of rest during what would be normal working hours of a normal workday, will be eligible for meal reimbursement and meal break following the initial 4 hours of continuous work and at 3 hour intervals of continuous work thereafter.
- D 1.13 The Corporation will normally be responsible to provide meals. When a meal is not provided by the Corporation and employees purchase a meal, they will be reimbursed for the actual cost of the meal on a reasonable cost basis (receipts may be required).
- D 1.13.1 Where it is not practical or feasible to provide or purchase a meal (e.g. system emergency, customer power restoration, meal facilities not readily available, etc.), employees will be provided with an allowance equivalent to the lunch meal rate in Article H 1.4 (subject to taxation via payroll deduction).
- D 1.14 When employees do not leave the work site and the meal break does not exceed ½ hour, the meal break period will be considered as time worked at the overtime rate of pay.

ARTICLE 2 CALL-OUT AND STANDBY

Call-Out

- D 2.1 A call-out shall be defined as overtime work for which notification is not given in advance of an employee's normally scheduled quitting time on the last normal working day prior to the overtime requirement.
- D 2.1.1 In the case of an employee who is called out for work on a normal day of rest and is advised at the time of the notice that the work is due to take place during what would be normal working hours of a normal

workday, Article D1.13.1 and D 1.14 will apply following the initial 4 hours of continuous work.

D 2.1.2 If employees are called out to perform overtime work more than 2 hours prior to normal starting time and the work overlaps normal working hours, they will be eligible for a meal, provided they are not allowed sufficient rest time to return to their residence for a meal.

D 2.2 Employees called out to perform overtime work, within a defined period of time (see Article D 2.2.3), shall receive:

D 2.2.1 "Initial call-out" within a defined period of time - not less than 3 hours pay at 2x his/her basic rate.

D 2.2.1.1 If the "initial" call-out occurs within 3 hours of the start of the regular workday, an employee will receive overtime from the actual time of the call-out up to the commencement of the regular workday.

D 2.2.2 "Subsequent call-out" (second or more call-out) within a defined period of time - not less than 1 hour pay at 2x his/her basic rate for each subsequent call-out within the defined period.

D 2.2.2.1 If the "subsequent" call-out occurs within 1 hour of the start of the regular workday, an employee will receive overtime pay from the actual time of the call-out up to the commencement of the regular workday.

Note: *If an employee is already entitled to overtime pay up to the commencement of the workday as a result of a first call-out, the "subsequent" call-out will not result in additional pay.*

D 2.2.3 On a weekday, the "defined period of time" is the time between the conclusion of the employee's scheduled working hours through to what would be the normal starting time of the following day. On the weekend, the "defined period of time" is a 24 hour period from 8 a.m. to 8 a.m.

D 2.3 If employees are required to use their own vehicle to travel to and from the job site, assigned work location, or assembly point in response to a call-out they will be entitled to reimbursement for the use of their personal vehicle at the prevailing Corporation Policy P660 Unassigned Vehicle rate for travelling on Corporation business for the actual distance travelled on the most direct road route between the locations involved. If an employee's principal residence is outside of the headquarters zone, reimbursement will not apply to the distance travelled outside of the headquarters zone boundary or established travel zone.

Standby

D 2.4 An employee directed to be available for work outside normal hours of work will be eligible for standby pay for non-working hours.

D 2.4.1 Working Day

Working day standby shall consist of all non-working hours from the completion of work on that day up to the normal starting time of the following day or up to what would be normal starting time on a day of rest or Corporation holiday. The working day standby rate will be one times the hourly maximum of Pay Grade 25 per day.

D 2.4.2 Non-Working Day

Non-working day standby shall consist of all hours commencing at what would be normal starting time during an employee's day(s) of rest, including Corporation Holidays, through to what would be normal starting time of the following day or normal starting time of the next normal workday. The non-working day standby rate will be two times and ½ the hourly maximum of Pay Grade 25 per day.

D 2.4.2.1 If a Corporation Holiday falls during an employee's standby period, the employee will be eligible for an additional day off with pay (or a half-day in the case of Christmas Eve) at a time to be mutually agreed between the employee and their supervisor.

The lieu day can be taken any time prior to the expiration of the fiscal year, at a time mutually agreed between the supervisor and employee, or be cashed out at anytime. If it is not used, it will automatically be cashed out at the end of the fiscal year.

D 2.4.3 The working day and non-working day standby rates will be escalated at a rate and time coincident with general wage increases.

D 2.5 Standby rates of pay will apply in addition to appropriate rates of pay for call-outs and during periods of planned overtime work.

D 2.6 Standby duty will normally be scheduled and posted with 5 days advance notice; however, in an emergency situation, the notice period shall be waived.

D 2.6.1 An employee assigned to standby duty without 5 days notice, will receive pay at 1½ times the basic standby rate for each day the notice period is short of 5 days and then revert to basic standby rates.

D 2.7 It is understood that employees will make themselves available for standby duty as the Corporation deems necessary; however, it is also understood that the Corporation will not unreasonably deny a request from employees that they be excused from standby duty.

D 2.7.1 An employee wishing to be relieved from standby duty for reasons other than scheduled vacation, sickness or family emergency, must arrange for a qualified replacement to be approved by the immediate supervisor.

Payment for Resolving Technical Problems without Reporting to Work

D 2.8 Employees who resolve technical problems over the telephone or by other forms of electronic communication which would otherwise have necessitated a call-out and the employee reporting for work (with the exception of Help Desk staff), will be paid as follows:

D 2.8.1 The employee will be paid a minimum of 1 hour of pay at overtime rates.

D 2.8.1.1 If there are additional calls received during the 1 hour minimum period, payment for additional calls will not apply.

D 2.8.1.2 If the time spent actually extends beyond one 1 hour, overtime will be paid for actual time spent.

D 2.8.1.3 If an employee receives a call out in accordance with Article D 2.2 during the 1 hour minimum period, the 3 hour call out will not be compounded upon the 1 hour minimum. The minimum 3 hour call out will be considered to have commenced at the time of the initial call.

D 2.8.2 Except as provided in this article, an employee must report to the job site or assigned work location in order to qualify for overtime in accordance with Article D 2.2 of the Collective Agreement.

D 2.8.3 This arrangement must have received prior approval from the employee's supervisor.

D 2.9 Help Desk staff assuming stand-by duties will receive, in addition to the normal stand-by premium, a biweekly allowance based on 15 hours at overtime rates. This biweekly allowance replaces all other call-out pay.

D 2.9.1 Help desk staff will not be eligible to claim for resolving technical problems over the telephone under Article D 2.8, and will not be eligible to bank call-out time.

D 2.9.2 If an employee on stand-by does not, for any reason, assume stand-by duties for the full biweekly pay period, the allowance will be prorated accordingly.

ARTICLE 3 REMOTE WORK

Definition

D 3.1 Employees may be considered for remote work under the terms and conditions set out in Corporate Policy (P549), which may be amended from time to time at the discretion of the employer.

- E 2.1.1 Provided employees are able to meet the requirements of Article E 2.1, the employee with the earliest union seniority date shall be given first consideration for the vacant position.
- E 2.1.2 If the response to a position vacancy fails to provide an applicant meeting the requirements of Article E 2.1, the Corporation shall then fill the vacancy with the most qualified internal applicant available who, at the manager's discretion, is within 12 months of meeting the minimum requirements. Should no candidate be identified within 12 months of being qualified, the manager may select externally, appoint another qualified employee to the position, or reclassify the position in which case it shall be re-bulletined.
- E 2.2 Upon being advised that they are the successful applicant for an advertised vacant position, employees shall be prepared to relocate to a place and at a time designated by the Corporation.
- E 2.2.1 Moving time and allowance will be those established from time to time by the Corporation and such information will be made available to the employee concerned.
- E 2.2.2 The effective date for new rates will be as follows:
- a) The day on which the incumbent starts the duties of the new position, or,
- b) The day immediately following the first complete pay period after the notification, if the corporation defers the transfer.

- E 2.3.1 One pay grade Promotion - If the minimum rate for an advertised vacant position is less than or equal to the rate the successful applicant was receiving prior to appointment to the advertised vacant position, the employee's rate shall be increased by 5%, provided that such increment does not establish a rate in excess of the maximum for the position to which the employee was appointed.

- E 2.3.2 Two or more pay grade Promotion - If the minimum rate for an advertised vacant position is less than or equal to the rate the successful applicant was receiving prior to appointment to the advertised vacant position, the employee's rate shall be increased by 5% at time of promotion, provided that such increment does not establish a rate in excess of the maximum for the position to which the employee was appointed. In addition, the successful applicant will receive an additional 5% increase for each pay grade moved beyond one, subject to satisfactory performance and provided that such increment(s) does not establish a rate in excess of the maximum for the position to which the employee was appointed. The additional promotional increase(s) will apply after 958 hours of service from the initial promotional increase and 1916 hours of service thereafter, as applicable. Subsequent adjustments will be in addition to any other salary progression the successful applicant may be eligible for.
- E 2.4 Applicants who are not fully qualified and have been selected for a position, shall, for a period of time, be paid at a rate not less than 10% below the minimum rate for the position, on the understanding that this rate of pay will be subject to review by the Corporation at the end of each 6 month period thereafter until employees attain the minimum qualifications for the position at which time they will be paid at least the minimum rate of the classification providing they are able to satisfactorily perform the duties of the position. Normally, no employee shall be paid less than the minimum rate for the position for a period longer than 1 year.
- E 2.4.1 Where an employee's present salary is equal to or above the minimum rate of pay for the higher classification:
- a) Employees will normally be transferred laterally and retain their present salary and review date.
 - b) Management may grant a 5% promotional increase to recognize the additional duties and responsibilities performed if an employee is capable of performing the majority of the duties and responsibilities of the higher classification. When considered qualified, employees will receive salary treatment consistent with that afforded employees qualified at time of promotion. These additional increases shall not compound on promotional adjustments received since the time of promotion.
- E 2.5 Within a Division the Corporation reserves the right to fill a vacant position by lateral appointment (without posting an Employment Circular) on the understanding such appointments will only be made with the employee's approval and involve only employees having the same classification or salary range as the vacancy. The employee, upon transferring, will retain present salary and review date. The Corporation will notify the Union of the name of those

employees appointed.

- E 2.6 Although any employee may apply for an advertised vacant position, which would result in a lateral transfer, applicants will not necessarily be considered if they have been in their present position less than 12 months, unless they have been transferred laterally to their present position at the request of the Corporation.
- E 2.7 Employees moving temporarily into a position maintain their current status. Employees moving permanently into a position assume the status of the new position.

- E 4.3.1 If the increment is withheld, a further review will be made 4 pay periods after the regular review date and if an increment is still not warranted, the Corporation may take appropriate corrective action.
- E 4.4 Employees who are eligible to receive a semi-annual or annual increment shall have their review date adjusted as follows:

- E 4.4.1 In the case of personal leave of absence without pay, the review date will be adjusted by the amount of time that the personal leave exceeds 30 consecutive calendar days.
- E 4.4.2 In the case of Layoff, Workers Compensation Leave, Sick Leave and Maternity Leave, an employee who has an annual review date will have their review date adjusted by the amount of time exceeding 90 consecutive calendar days.
- E 4.5 If employees who are entitled to receive a semi-annual increment have been absent from work for a period in excess of 2 pay periods, such employees shall not be eligible for an increment until they have completed 5 months service from their last review date.

- E 4.10 The reclassification of a position shall be governed by the Corporation's assessment of the duties to be performed and the corresponding qualifications required. This assessment will be made using Manitoba Hydro's job evaluation system.
- E 4.11 Employees shall have the right to request a review of their position if there is a clearly defined change in their duties and responsibilities. Such a request shall be made through a Job Level Review (step 1) and, if necessary, a Job Level Appeal (step 2).
 - E 4.11.1 Job Level Review (Step 1) - Should an employee (or a group of employees) request a review of their position, they will be required to prepare a complete review package of their position(s) and submit the

 - Has the employee demonstrated why the proposed pay grade level best fits their job?
 - Has the employee given specific examples to illustrate their reasoning?
 - Is there supporting documentation or evidence to support the argument?
- f) The Chair of the Appeal Committee will notify the employee in writing of the Committee's decision, and the reasons for it, within 10 days of the hearing.
- g) The Appeal Committee decision will be by consensus, and will be final and binding.

E 4.12 When employees are reclassified to a higher level position due to position review/appeal, salary treatment shall be in accordance with Article E 2.3, and the salary adjustment date will be retroactive to the first day of the pay period that contains the earliest signature on the Job Evaluation Questionnaire form in which a full and complete package was submitted.

E 4.14 When a position is reclassified, the employee in that position, and the Union, shall be advised in writing by the immediate supervisor or Manager. The employee and the Union shall be provided with a copy of the revised job description.

F 1.1.1 In lieu of Easter Monday as a Corporate Holiday, eligible employees will have one day (7.92 hours (pro-rated for part-time employees)) added to their vacation credits.

Any employee wishing to take Easter Monday as a vacation day will be guaranteed that day off.

F 1.2 If an additional holiday is proclaimed for the general public by the Government of Manitoba or the Government of Canada, it shall be recognized as a Corporation Holiday.

F 1.3 When a Corporation Holiday, except Remembrance Day, occurs on a Saturday or Sunday, the Corporation Holiday shall be observed on a working day or working days designated by the Corporation immediately prior to or following the weekend.

F 1.4 When a Corporation Holiday coincides with a scheduled day of work for employees, such employees shall be granted leave of absence with pay in observance of Corporation Holidays. To be eligible, employees must have received pay on their last scheduled working day prior to and their first scheduled working day following the Corporation Holiday, unless on authorized leave of absence.

F 1.5 When a Corporation Holiday coincides with an employee's normal day(s) off, i.e. shift employees, and they are not required to work that day, they shall be granted leave of absence without loss of salary at a mutually agreed time or a day's salary at basic rate in lieu of the holiday, except for:

F 1.5.1 Employees who work less than full-time hours and the holiday does not occur on what would have been a scheduled day of work, will receive holiday pay based on their total hours worked in the previous two pay periods prior to the pay period in which the holiday occurs divided by the number of working days available in the same period (i.e. 18 days for employees assigned to the 9-day work cycle).

In the case where a corporate holiday falls within two pay periods of an employee's hire date, and the holiday does not occur on what would have been a scheduled day of work, such employees will receive holiday pay based on their total hours worked in the previous 28 calendar days prior to the holiday divided by the number of working days available.

F 1.5.2 When Remembrance Day occurs on a Saturday or Sunday, an employee, if eligible, shall have one day (7.92 hours) added to their vacation credits.

- F 2.5 Employees shall submit their preferred vacation dates to their supervisor for approval. Union seniority shall be recognized as a factor when vacation requests conflict, but senior employees shall not automatically receive preferred vacation periods.

- F 2.6 Vacation shall not normally be accumulated from year to year, however, an employee may carry over up to 20 days of vacation. In such event, employees must recognize that vacation scheduling with carryover balances will be subject to peak workload and peak vacation requirements.
- F 2.7 When an employee's vacation period includes one or more paydays, the employee may, on written request, receive vacation pay on the payday immediately prior to the first day of vacation. Requests must be made at least 10 calendar days prior to the payday on which the vacation pay is to be received.
- F 2.8 Employees will not normally be recalled from vacation, however in the event an employee is recalled to work during a scheduled vacation or is not notified of vacation deferment prior to the completion of work on the last regular day of work prior to commencing scheduled vacation, pay will be at twice basic rate of pay for all work performed for the duration of the recall to work assignment, but not exceeding a period equal to the scheduled vacation and will then revert to basic rate of pay. As mutually agreed, the employee may either defer the scheduled vacation or have vacation with pay run concurrent with the recall to work assignment.
- F 2.9 Summer students will have their vacation accrual earnings paid out on each biweekly pay cheque at the rate of 0.0620 hours pay per regular hour worked.
- F 2.10 Employees have the option to cash out basic vacation credits up to twice per year and up to an annual maximum of 79.2 hours.

 - b) The cash payment will not be considered pensionable earnings.

ARTICLE 3 SICK LEAVE

- F 3.1 Sick leave is provided for the sole purpose of insuring an employee of a continuing income during periods of bona fide sickness.
- F 3.2 Sick leave credits shall be accumulated on basic hours paid when an employee is at work or on authorized leave with pay other than sick leave. Sick leave credits will not be accumulated when the employee is on leave without pay. An employee shall accumulate sick leave credits as follows:

- F 3.6 The Corporation may require employees who claim they have been absent because of sickness to furnish a certificate by a duly qualified healthcare provider as defined in policy P575, certifying their inability to attend to regular duties.
- F 3.7 If employees fail to furnish a medical certificate when requested, their absence from work may be considered as unauthorized and consequently without pay.

- F 3.8 The Corporation reserves the right to determine at any time, in consultation with a medical authority and the employee, the necessity for sick leave and the capability of an employee to return to work.
- F 3.9 If an employee requires or desires medical attention, which is not of an emergency nature but is or may be necessary to safeguard future health, the Corporation may grant a request for sick leave with pay provided that the request for such leave is made at least 2 working days in advance of the date on which leave is required.

Employees will attempt to schedule non-emergency medical and dental appointments during their scheduled days off.

- F 3.10 An extension of sick leave beyond the period of sick leave credits accumulated by an employee shall be at the discretion of the Corporation.
- F 3.11 Employees shall have the right to return to the position held prior to going on sick leave or another comparable vacancy at any time up to the date on which their accumulated sick leave credits are exhausted, provided they are judged capable of resuming employment.
- F 3.12 When employees return to work after being on sick leave, they shall resume the accumulation of sick leave credits at the same rate as such credits were being accumulated immediately prior to such sick leave.

Section I – Termination, Resignation, Layoff, Workforce Adjustment, etc.

ARTICLE 1 WORKFORCE ADJUSTMENT

I 1.1 Manitoba Hydro, at its sole discretion, continuously adjusts its workforce in response to the changing business environment and changing customer expectations as it decides optimum core business functions, how work can best be accomplished and necessary staffing requirements. When an adjustment to the workforce is required, the Corporation has the responsibility to manage the layoff, placement, displacement, bumping, and recall process.

For the purposes of this article, the following definitions will apply:

- a) **Placement** — Placed into a temporary or permanent vacancy
- b) **Displacement** — The removal of an employee from their job through workforce adjustment under this article
- c) **Bumping** — Placed into a job occupied by an employee who is junior in service in a lateral or lower classification
- d) **Recall** — Called back to work from layoff

Staff Displacement or Reductions

I 1.2 When staff displacement or reductions are deemed necessary by the Corporation as a result of business changes including, but not limited to, organizational, technological, and staff rationalization, the Corporation will notify the Union as soon as is reasonably practicable, or upon request, will meet to provide further information about the changes and about the Corporation's plans going forward.

I 1.3 When determining how to handle each staff displacement or reduction, the Corporation shall be guided by the following principles:

- a) Treat employees with dignity and respect;
- b) Minimize the disruption and impact to all employees and to the Corporation;
- c) Prior to the effective date of any declared redundancy under Article I 1.5, consider re-training and/or alternate employment within the Corporation, where feasible;
- d) Take into account the following factors:
 - i) The employee's current position, job status, job location, and working conditions;
 - ii) The employee's length of service with the Corporation, skills, knowledge, abilities and qualifications, and career path;

- iii) The employee's personal circumstances and wishes; and
- iv) The availability of suitable alternate employment within the Corporation.

I 1.4 The Corporation cannot guarantee the continuation of a specific position or job.

Declaring Redundancies

I 1.5 When the Corporation has determined that there will be staff displacement or reductions, the Corporation will determine which positions it considers redundant. Upon declaring a position redundant, the employee holding the position will be notified in writing not less than 60 calendar days prior to the date upon which the redundancy will take effect. Once the Voluntary Departure Program (VDP) Letter of Understanding expires, and the 30 calendar days needed for the VDP are deemed unessential, the 60 calendar days notice shall become 90 calendar days notice.

Re-training or Placement

I 1.6 The Corporation shall thereafter, as soon as is reasonably practicable but not less than 30 calendar days prior to the redundancy taking effect, meet individually with the affected employees whose positions are declared redundant, together with the Union, to discuss the factors outlined in Article I 1.3 d) above. The Corporation shall subsequently advise the employee in writing, copied to the Union, whether re-training or placement is considered by the Corporation to be feasible for them. The employee shall then have 15 calendar days to accept or reject the offer of re-training or placement, subject to Articles I 1.6.2 and I 1.6.3.

I 1.6.1 Re-training offered to an employee could include on-the-job training, academic requirements, or other training of generally less than one year's duration, and is intended to enable an employee to qualify, and be placed, in a known or anticipated vacancy.

I 1.6.2 When offering an employee placement in a different position, the Corporation will make reasonable efforts to offer a position in an equivalent pay grade and in the same headquarters zone. However, it is understood that employees may have to consider other available employment opportunities in the Union's jurisdiction, including those in a lower pay grade or in a different headquarters zone, in order to secure ongoing employment. Bargaining unit concurrence will be required to waive the posting of vacant staff status positions.

I 1.6.2.1 An employee who accepts a placement in a lower pay grade will be eligible for salary progression and general wage increases based on the former pay grade so long as the employee remains in the pay grade placed into.

I 1.6.2.2 Employees who are placed outside their headquarters zone in order to maintain employment within their classification shall:

- a) Retain their headquarters zone for the duration of a temporary assignment and will be eligible for travel allowances pursuant to Article H 1.
- b) Be eligible for relocation costs pursuant to Corporate policy where the Corporation assigns a new headquarters zone.

I 1.6.3 Where an employee considers an offer of re-training and or placement to be unreasonable, the Corporation will meet with the Union to explore options including a separation package in accordance with Article I 1.7, displacement/bumping in accordance with Article I 1.8, or layoff in accordance with Article I 1.8.4. Should the Union and employee disagree with the outcome, a grievance relating to the reasonableness of the Corporation's decision may be initiated pursuant to Section A, Article 7.

Separation Package

I 1.7 If the Corporation has determined that re-training or placement is not reasonable or feasible, the employee shall be offered a separation package, in an amount equal to 3 weeks of pay for each complete year of Corporate Service up to a maximum of 52 weeks, and shall have 15 calendar days to accept or reject it.

I 1.7.1 Employees who have been offered a separation package, and have accepted, must work until the date that the redundancy takes effect, unless otherwise agreed to by the Corporation

I 1.7.2 Employees accepting the separation package must sign a General Release in favour of both Manitoba Hydro and its officers, directors and employees prior to release of any payment.

I 1.7.3 Upon request, the Corporation will make outplacement counseling services available to employees who are offered and accept a separation package. The cost of outplacement counseling shall be borne by the Corporation.

I 1.7.4 With the Corporation's approval, employees may be eligible to use vacation credits, sick leave vesting credits, severance credits, long service recognition credits, overtime credits or banked vacation credits as leave with pay beyond their redundancy date.

Displacement and Bumping

I 1.8 Should an employee choose not to accept the separation package offered to them under Section I, Article 1.7, the following displacement/bumping options will apply:

I 1.8.1 Employees may request to initiate the bumping procedure into a lateral or lower classification, provided that their qualifications and ability to perform the available work allow it. In consultation with the Union, the Corporation will examine and may initiate the displacement of employees who are the most junior in service in an equivalent or lower pay grade, having regard to the employees' seniority, skills, knowledge, abilities and qualifications.

I 1.8.2 Employees who are displaced will be afforded the same treatment applicable to employees whose positions have been declared redundant.

I 1.8.3 Should bumping not occur as set out in Article I 1.8.1, the employee shall have 15 calendar days from the date they were informed that bumping will not occur to:

a) accept the separation package previously offered and declined;

or

b) request a leave of absence without pay for up to one year with the right to bid on all internal opportunities, in which case the employee's accumulated vacation, sick leave vesting credits, banked overtime and severance plan credits (and any other outstanding credits) will be paid out.

I 1.8.4 If the employee does not choose either option they shall be laid off, subject to the right of recall for a period of one year. The Corporation shall give at least 2 weeks written notice to any employee to be laid off.

I 1.8.4.1 Upon request, the Corporation will make outplacement counseling services available to employees who are laid off. The cost of outplacement counseling shall be borne by the Corporation.

Recall from Layoff

- I 1.9 The recall of employees shall be on the basis of union seniority and not their status, to the extent that qualifications and ability to perform the available work allow.
- a) An employee shall be given at least 7 calendar days notice of recall.
 - b) Posting of employment opportunities will not be required when the employee can be recalled into a vacant position.
- I 1.9.1 Upon recall, employees who refuse work in a lower classification shall retain recall and seniority rights in their basic classification for the remainder of the one year period.
- a) Employees who refuse recall to a lower classification are expected to confirm their intent within 3 calendar days of the recall notice; otherwise, they will be considered to have accepted the assignment.
- I 1.9.2 Employees who are unable to report for work due to extenuating circumstances after having accepted a work assignment, must advise the Corporation prior to the date of recall.
- I 1.9.3 In the event of an emergency, the Corporation shall not be restricted in the manner in which employees are recalled to work, provided such employment is only for a period of emergency.
- I 1.9.4 An employee who alleges a violation relating to their right of recall shall lodge a grievance at Step Two of the Grievance Procedure within 10 working days from the date of the action giving rise to the grievance.

Right to Grieve

- I 1.10 An employee whose position has been declared redundant shall not have the right to grieve their position being declared redundant.

The Union will reserve the right to grieve any alleged violations of the workforce adjustment process, with the exception of the Corporation's decision to declare a position redundant. Grievances under Section I shall commence at Step 3 and shall be chaired by the Vice President of Human Resources or their designate.

ARTICLE 2 TERMINATION OR RESIGNATION

Resignation

- 12.1 An employee who desires to resign shall give written notice thereof to the Corporation at least 2 weeks in advance of the date of termination, with the exception of a probationary employee who shall give as much notice as practicable, but not less than 2 working days, and in default of such notice being given, such employee shall, at the discretion of the Corporation, forfeit all or part of the monies due on termination, not exceeding a maximum amount equal to the employee's biweekly pay.

Emergency ambulance service charges are covered from the place where accident or sickness occurs to the nearest hospital where appropriate treatment can be provided.

Non-emergency ambulance service charges shall be considered as an eligible expense, provided that the patient has been transported by an ambulance to the nearest hospital where appropriate treatment can be provided, from hospital to hospital, or from hospital to home, and that such transportation was on the prior recommendation of a physician. This benefit includes transportation by a medical transfer service operator who has entered into an agreement with ClaimSecure, subject to the amount payable for such service being limited to a \$250 lifetime maximum.

For both emergency and non-emergency ambulance use, services rendered by a participating ambulance operator will be paid in full by ClaimSecure and charges by a non-participating operator will be settled on the basis of the charges that would have been assessed by a participating ambulance operator, but not exceeding the actual amount charged for the service.

If an air ambulance is used in non-emergency situations, payment will be made up to the amount equivalent to what ground ambulance service cost would have been.

A Claimsecure pay-direct prescription drug plan card is provided.

Effective April 1, 2021, the dispensing fee cap increased to \$10.80. The dispensing fee cap will be increased every two years from that date to reflect the average increase (if any) to dispensing fees charged in Manitoba, based on actual claims experience of Hydro employees. This cap does not apply to "compound prescriptions".

The plan does not cover vitamins and vitamin preparations (unless injected), patent or proprietary drugs and "over the counter" drugs, fertility drugs and anabolic steroids. The plan covers smoking cessation products to a maximum of \$350 per contract.

The parties will review the impact of a change in the amount of the deductible in provincial Pharmacare design if the change results in an increased cost to the Corporation for prescription drugs of 5% or more. The purpose of this review is to mitigate the impact of the Pharmacare change on the Corporation. If a mutually agreeable resolution is not reached within 45 days of the change, the issue will be referred to an independent third party for resolution.

1. Health Spending Account

Established for all status employees, with the exception of full-time students. Employees will be able to apply for reimbursement of eligible health care and dental expenses for themselves and their dependents.

- The Health Spending Account will be credited with \$750 per calendar year.
- Eligible expenses include professional medical services, dental services, prescription drugs, eye glasses, etc., that are allowable under the Income Tax Act but are not covered by any other plan.
- Employees and their dependents will not be eligible for reimbursement if expenses are recoverable from another source (e.g. Extended Health Care plan, Dental plan, Pharmacare, provincial health insurance plan, or any other medical plan). The dollars in the Health Spending Account must be used in the calendar year in which they are allocated. There will be no carryover of the account balance into the next calendar year.
- Upon submission of a claim, employees will be reimbursed for expenses incurred in the calendar year. If the Health Spending Account balance for the current calendar year has been used up, and an employee has outstanding eligible expenses, these expenses may be carried forward to the next calendar year for reimbursement.

2. Retiree Health Spending Account (RHSA) will be credited as follows:

- The Retiree Health Spending Account (RHSA) will be credited with \$908.91 per year for CUPE Local 998 members who retire on or after January 1, 2026. The RHSA will be indexed by 2.5% on January 1 of each year.

Benefit Credit Purchase

- a) All employees (except term employees) working at least 50% of full time hours are eligible to participate in the Benefit Credits Program.
- b) Employees will receive 5 days of benefit credits which may then be allocated to the employee's Health Spending Account or to vacation credits, or a combination of the two.

Employees who elect to allocate all benefit credits to vacation will accrue vacation based on F2.3 of the collective agreement. This vacation must be used as specified in f) below.

Employees who allocate some or all benefit credits to supplement their Health Spending Account will accrue vacation based on the table below. Accrual rates will be adjusted on the first pay period of the fiscal year following enrolment (i.e., the pay period which includes April 1). The lower accrual rate will be reflected in the employee's vacation entitlement the following fiscal year. Vacation must be used as specified in f) below.

- c) Employees must enroll during a time period (enrolment window) specified and announced on an annual basis.
- d) Employees may allocate benefit credits in increments of value equal to vacation days (full days only) to supplement their Health Spending Account balance. Employees may elect to allocate a maximum of 5 full days worth of additional credits. Credits equivalent to the dollar value of a vacation day will be calculated based on the employee's hourly rate on the date the enrolment window closes, multiplied by 7.92 hours.
- e) Benefit credits will be allocated to the employee's Health Spending Account by April 1st following enrolment. Once credits are allocated to the Health Spending Account, the normal rules for HSA use apply (credits do not carry forward into the next calendar year, although expenses may be carried forward one calendar year).
- f) Employees will be required to use 5 days vacation per fiscal year (if not allocating any credits to Health Spending Account), or the number of days not allocated to Health Spending Account (see table below). If employees do not take the mandatory minimum amount of vacation, they will lose the unused portion at the end of the fiscal year.

The mandatory minimum vacation usage will be effective in the vacation year in which the vacation entitlement is affected (for example, if enrolment period is in February 2017, the additional credits are received in April 2017. Vacation accruals are adjusted at the beginning of the 2017/18 fiscal year, and vacation entitlement is adjusted in April 2017. In this example, the employee must use the specified minimum amount of vacation in fiscal year 2017/18).

- g) If an employee terminates employment (including retirement) after receiving additional Health Spending Account credits in lieu of accrued vacation, the employee's accrued and/or banked vacation balances will be adjusted accordingly at time of separation.

MEMORANDUM OF AGREEMENT

#1	Specific Benefit Provisions for Employee Participating in the Winnipeg Civic Employees' Benefit Program (WCEBP)
----	-----------------------------------------------------------------------------------------------------------------

LETTER OF UNDERSTANDING #1/2025-27
Between
MANITOBA HYDRO
and
THE CANADIAN UNION OF PUBLIC EMPLOYEES, LOCAL 998

RE: VOLUNTARY GRIEVANCE MEDIATION

In an effort to resolve grievances in an efficient, cost-effective manner, and maintain harmonious labour relations between the parties, Manitoba Hydro and CUPE Local 998 have reached an agreement and established the following process to be used when the parties mutually agree grievance mediation would be appropriate.

A. General Principles:

1. The parties agree that Grievance Mediation is a voluntary, without prejudice process and either party may request that any grievance be submitted to Grievance Mediation once all steps in the grievance process have been exhausted, and prior to the grievance being referred to arbitration.
2. A request for Grievance Mediation shall be made within 30 working days following the date the decision is rendered under Step Three of the Grievance Procedure or in the case of a Corporation grievance, within 30 working days following the Union President's reply.
3. The party who has received a request for Grievance Mediation will respond in writing to the party who has made the request within five (5) working days advising whether they are in agreement with submitting the case to Grievance Mediation. The party receiving the request may seek an extension of time within which to respond, and it is agreed that such requests shall not be unreasonably denied.
4. Both parties must agree to submit the case to Grievance Mediation. If either party decides not to submit a case to Grievance Mediation, the decision cannot be grieved. Where mutual agreement cannot be reached, the provisions of the Collective Agreement regarding arbitration shall apply.

B. Appointment of Grievance Mediator

1. The parties agree to jointly establish a list of four (4) Grievance Mediators to appoint for the purposes of this Grievance Mediation Process. When a grievance is submitted to Grievance Mediation, the parties shall choose a Grievance Mediator in rotation starting from the top of the list.
2. Within 7 working days of a grievance being referred to Grievance Mediation, and the parties shall jointly contact the Grievance Mediator to schedule a mediation meeting to be held within thirty working (30) days, or such other time period as mutually agreed upon by the parties. In the event the

Grievance Mediator in rotation is not available within thirty working (30) days, or such other time period as agreed to by the parties, the parties may jointly agree to appoint the next mediator in rotation with mutual agreement or may mutually agree to appoint a mediator who is not on the list established by the parties.

C. Role of the Grievance Mediator

1. The Grievance Mediator is empowered to fulfil their role in any manner deemed by them to be most effective given the individual circumstances of each case. The Grievance Mediator's general role is to:
 - a. assist the parties in reaching a resolution;
 - b. investigate each grievance jointly submitted;
 - c. define the issue(s) in dispute;
 - d. provide an opinion as to an appropriate resolution of the dispute; and
 - e. provide an opinion as to the disposition of the grievance should it proceed to arbitration;
2. The Grievance Mediator is expected to give a verbal opinion at the conclusion of a Grievance Mediation meeting and to submit a brief written opinion to each of the parties within fourteen (14) calendar days following a Grievance Mediation meeting which although influential, is without prejudice and precedent. Where a resolution to the grievance is reached, the parties may waive the requirement that the Grievance Mediator submit a written opinion.
3. It is understood that the opinion of the Grievance Mediator is advisory in nature and is non-binding on either party. Where one or both of the parties does not accept the opinion of the Grievance Mediator, then the matter may be referred to arbitration in accordance with the Collective Agreement.
4. It is understood that where a resolution is reached or the parties agree to abide by the opinion of the Grievance Mediator, it is done on a without precedent and prejudice basis. The parties agree that the opinion of the Grievance Mediator or any resolution reached between the parties at or as a result of Grievance Mediation, shall not be referred to in any subsequent Grievance Mediation process or at any arbitration.
5. Nothing shall preclude the parties from resolving any grievance in any mutually agreed manner either before, during, or after its referral to Grievance Mediation.
6. It is expressly understood that the Grievance Mediation is intended to provide a cost-effective, informal, and timely alternative to conventional arbitration.

D. Submission of the Grievance

1. In all cases the grievance procedure contained in the Collective Agreement will continue to apply; however, where the grievance procedure has been exhausted and a party has certain time limits to refer the matter to arbitration, that party might instead within this time limit, advise the other party in writing of its desire to refer the matter to Grievance Mediation. Where such a request is made, the time limits referenced in the Grievance/Arbitration procedure shall be temporarily suspended until:
 - a. the other party advises the party who has made such a request that it does not agree to refer the matter to the Grievance Mediation Process, or
 - b. fourteen (14) calendar days have elapsed from the date the request was made and the other party has failed to respond, or
 - c. fourteen (14) calendar days have elapsed from the date upon which the Grievance Mediator issued their written opinion.

When any one of the events referred to in a), b), or c) above occur, the time limits for referring the matter to arbitration shall commence as if the grievance procedure had been exhausted on that date.

E. Grievance Mediations Meetings

1. Grievance Mediation meetings will be held at either the CUPE office or Manitoba Hydro offices at 360 Portage, as mutually agreed upon by the parties. By mutual agreement of the parties or at the request of the Grievance Mediator, with the consent of both parties, an alternate location may be selected, including having the Grievance Mediation proceed via videoconference.
2. The parties agree not to be represented at any Grievance Mediation meeting by legal counsel. Attendance at Grievance Mediation meetings shall be limited to a maximum of four (4) Union representatives, inclusive of the individual grievor and union representatives, and four (4) Employer representatives, inclusive of line management and labour relations representatives. This stipulation shall not prevent the Grievance Mediator from requesting the attendance of any other person who can assist in clarifying the issue in dispute.
3. The parties will endeavour to provide the Grievance Mediator with a jointly prepared statement of facts in an effort to narrow the scope of any dispute and to minimize the need to present evidence through witnesses. In the event the parties cannot reach agreement on a joint statement of facts, each party will prepare written summary of the key facts and issues, not exceeding 2 pages, and provide a copy to the Grievance Mediator and the other party at least two (2) working days in advance of the Grievance Mediation meeting. The Grievance Mediator may through the course of their investigation determine additional facts relevant to the resolution of the matter and shall advise the parties accordingly.

4. Each party shall provide copies of any document they intend to present to the Grievance Mediator to the other party at least two (2) working days prior to the Grievance Mediation. The parties agree that the Grievance Mediator may request or direct either or both parties to produce or disclose additional documents or information as the Grievance Mediator deems appropriate.
5. The parties agree that the meeting for any one grievance shall not exceed one (1) working day. The parties further agree they may add up to one (1) additional meeting day while ensuring the process is moving forward in an effective and timely manner, and the Grievance Mediator is of the view that additional time would be beneficial to the parties in reaching a resolution.
6. Grievance Mediation meetings shall be held in an informal manner; however, the Grievance Mediator shall conduct any meeting in a manner deemed by them to be effective. Witnesses will not give evidence under oath, but the Grievance Mediator may act as a participant in attempting to resolve areas of conflicting evidence.

F. Guidelines for Grievance Mediators

1. While appointed under this LOC as Grievance Mediator, the Grievance Mediator may not act on behalf of one of the parties either as counsel or nominee at conventional arbitration. They may serve as sole Arbitrator or Chairperson of an Arbitration Board hearing a dispute involving one or both of the parties except in the case of a dispute which has previously been referred to them in their capacity as Grievance Mediator.
2. While it is not expected to be as detailed as an Arbitrator's award, the parties do expect the written opinion to be a concise statement of the reasoning followed in reaching their conclusions. A detailed review of the positions of the parties or arbitral jurisprudence is not expected nor is any recounting of non-germane fact or argument. The opinion should contain sufficient information to assist the parties in preventing similar future disputes and understanding the merits of the case should it proceed to arbitration. The opinion is expected to be an informed estimate, based on the information presented by the parties, as to the likelihood of the grievance being upheld or denied in the event of it being referred to arbitration.
3. The Grievance Mediator is empowered to consider any grievable matter put to them by the parties including a question of as the arbitrability, jurisdiction of an arbitrator, and whether or not an issue is grievable.
4. The Grievance Mediator will be provided with any documentation which might provide assistance to them carrying out their role.

G. Costs of Grievance Mediation

1. The parties shall jointly and equally share the fees and expenses of the Grievance Mediator.

2. Each party shall pay for their own costs associated with any witnesses (wages, payroll costs, and expenses) that are used to provide information as part of their evidence. The Employer will be responsible for paying the grievor for the time of attendance at the Grievance Mediation meeting at straight time rates.

This process is being introduced on a trial basis for a minimum of 1 year from the effective date. After completion of the 1-year trial, the parties will meet to review the Grievance Mediation process, with a view to determining whether they wish to continue under the terms of this LOC, amend the process or discontinue the LOC. Should either one of the parties determine it wishes to discontinue the LOC following completion of the 1-year trial, they shall provide the other party with 30 calendar days' notice.

2. The biweekly pay period will continue to consist of 9 regularly scheduled working days.

LETTER OF UNDERSTANDING #3/2025-27
Between
MANITOBA HYDRO

RE: CUSTOMER ENGAGEMENT CENTRE OPERATIONS
(MODIFIED HOURS OF WORK & WORK SCHEDULE
OVERTIME ALLOCATIONS)

This letter of understanding will set forth the understanding reached between the Canadian Union of Public Employees, Local 998 and Manitoba Hydro with respect to operational considerations specific to the Customer Engagement Centre, including (but not limited to) hours of operation, work schedules, and the allocation of overtime for employees in the Customer Engagement Centre.

1. Understanding that there were prior separate departments, each with their own respective Letters of Understanding, one previously called Credit and Recovery Services, and the other previously called Customer Contact Centre have merged into one overall department. As a result, one singular LOU is now required to describe Operations as a whole.
2. The Customer Engagement Centre (CEC) Hours of Operation will be established by management understanding that the customer experience is paramount in deciding these. Any changes to these will be at the discretion of management.
3. CEC employees be scheduled to cover these Hours of Operations in the most efficient method possible, using various schedules as outlined below:
 - a. 9 Day Work Cycle – Some CEC staff will be required and scheduled to work seven hours and 55 minutes (7.92 hours) per day in a manner consistent with the 9-day work cycle. Staff working the 9-day work cycle will be assigned shifts in line with when customer inquiries are highest.

While management will take into consideration employee preferences when assigning staff to work schedules, there is no guarantee that employee preferences will be accommodated.

All Customer Contact Centre staff assigned to the 9-day work cycle will be entitled to 18 Regular Days Off (RDO) each year; however, not all staff will recognize the regular application of fixed Mondays off dictated by C2.1 of the collective agreement due to the CEC operating Monday to Saturday each week. While management will take into consideration employee preferences when assigning fixed RDO's, there is no guarantee that employee preferences will be accommodated. Based on business

requirements any day of the week between Monday to Friday can be assigned as the RDO, for new hires into the department effective June 17, 2022.

- b. 12 hour Modified Work Schedule - A limited number of employees will be scheduled to work the following days:
- Monday, Tuesday, Wednesday (12-hour shift)
 - Monday, Thursday, Friday (12-hour shift)

Staff working a 12-hour shift will generally work six 12-hour days per pay period (exclusive of a 30 minute unpaid lunch period), up to a maximum of 147 straight-time 12-hour shifts annually.

Should a 12-hour shift position become vacant, the vacated shift will first be offered, by seniority, to current 12-hour shift employees who are fully qualified and trained in all required skill sets, including gas service, gas emergence, electric emergency, and electric outage calls. Should this create a vacancy for another 12-hour shift position, that position will be filled via the same process (i.e. offered to current 12-hour shift employees with consideration seniority and qualifications). If no employees currently on 12-hour shifts are interested in the vacant 12-hour shift position it will then be offered to all other employees in the CEC and filled by seniority and qualifications to ensure operational requirements are met. If a 12-hour shift position cannot be filled by an employee currently in the CEC, it will be filled by posting according to the terms and conditions of the collective agreement.

For "12-hour" employees, use of sick leave, vacation and leave of absence without pay will be consistent with the number of hours scheduled on a particular day.

Bereavement and Family Responsibility Leaves for "12-hour" employees will be on a day-for-a-day basis with the employee maintaining basic pay for the day(s).

- c. 4 Day Modified Work Schedule - A limited number of employees will be scheduled to work four days per week.

The 8.75-hour workday shall be compensated at straight time which includes a 35-minute unpaid lunch break.

Any day of the week in each biweekly work period can be scheduled as the day off except when there is a Corporation Holiday. Work schedules will be approved by the Department Manager and will ensure appropriate staff

coverage on a Monday to Saturday basis. Three-day work weeks will not normally be scheduled.

Scheduled days off will be considered non-working days for the purposes of applying standby and overtime.

Management will ensure that employees are transferred onto or off the 4-day modified work week schedule at the start of a pay period to ensure the proper reconciliation of hours on a biweekly (73.7 hours) and annual (1916.2 hours) basis. As the modified work schedule is an averaging plan there will be no reconciling of time in these instances.

For 8.75-hour employees, use of sick leave, vacation and leave of absence without pay will be consistent with the number of hours scheduled on a particular day.

Bereavement and Family Responsibility Leaves for 8.75-hour employees will be on a day-for-a-day basis with the employee maintaining basic pay for the day(s).

- d. Working Schedules – Using the three varied scheduled shift days as above, the following shift start, and end times will be as follows:

Under the 9-day work cycle:

- 7:15 – 15:45
- 7:45 – 16:15
- 8:00 – 16:30
- 8:15 – 16:45
- 8:30 – 17:00
- 9:00 – 17:30
- 9:40 – 18:10

Under the modified 8-day work cycle:

- 8:50 – 18:10

Under the modified 12-hour (three day) work cycle

- From 7:40 – 20:10 on the following days:
 - Monday, Tuesday, Wednesday (12-hour shift)
 - Monday, Thursday, Friday (12-hour shift)

There will be no changes to an employee's designation as 7.92 hour or 12-hour without the mutual agreement of Management the affected employee.

Any requirement for new schedules in variance to the above will be

requested via an Expression of Interest or other similar mechanism to solicit volunteers for an alternate shift.

4. An hourly premium, equivalent to the shift premium in Section C, Article 3.5.1, will be paid for hours worked (excluding overtime) between 16:00 and 20:10 Monday to Friday. This premium is only intended to apply to individuals working the 12-hour schedules noted in section 3(b) above, and employees whose scheduled hours are outside of the flex-time provisions of Article C 2.15.3 (i.e. 9-day work employees who scheduled shifts include working time from 16:00 until 18:10). In the event that an employee currently works a schedule that wouldn't normally be eligible for the hourly premium but is required to change their hours of work to a premium eligible schedule for operational reasons, the employee shall receive the hourly premium as applicable, so long as overtime is not applicable.
5. Bilingual premium - A percentage premium of 5% of an employee's base wage, will be provided to employees who accept calls on the bilingual 'French queue'. All hours spent on the French queue are eligible for the bilingual premium, regardless of the language in which calls are taken. Employees who are designated as bilingual, but are working in the English queue would not be eligible for this premium when on the English queue.
6. Overtime rates will apply for work performed outside of the regularly scheduled hours.
 - a. Overtime will be offered to employees who have demonstrated the ability to successfully complete the overtime work required.
 - b. For the purpose of call-outs associated with customer outages, Customer Support Representatives (CSR) at any classification level who have demonstrated the ability to complete the work and who have volunteered their availability will be offered overtime as necessary
7. Requests for Easter Monday to be used as a vacation day, must be requested during the CEC's vacation bidding processes, and will be guaranteed off in accordance with Article F1.1.1. Any requests made outside of the vacation bidding process will be subject to operational needs.
8. Corporation Holidays will be observed on the days designated by the Corporation (Monday to Friday) and not on the actual days of the holiday (if different).
9. All other terms and conditions of the collective agreement will apply.

Agreed this 10th day of March, 2026.

RE: CROSS-JURISDICTIONAL TEMPORARY APPOINTMENTS

This letter will confirm the understanding reached between Manitoba Hydro and the Canadian Union of Public Employees, Local 998 with respect to cross-jurisdictional temporary appointments.

The collective agreement currently allows the Corporation to temporarily fill a vacant position for less than 12 months by appointment without posting, under certain conditions. Notwithstanding this right, the Corporation agrees to cease its practice of temporarily appointing members from other jurisdictions into positions covered by the CUPE collective agreement. This cessation of practice will only be in force for the duration of this collective agreement.

Should the corporation decide to post a position in the CUPE jurisdiction, it is understood that nothing prevents an employee from a different jurisdiction from being offered the position, so long as the selection provisions found under Section E, Article 2 are followed.

It is understood that this LOU will be removed upon expiry of the collective agreement on December 31, 2027.

They include:

1. Pension

Employees participating in the WCEBP are governed by and included in the pension plan benefits of the Winnipeg Civic Employees' Pension Plan. These employees are not eligible to participate in the Civil Service Superannuation Fund.

2. Long Term Disability:

Employees participating in the WCEBP are covered by the Winnipeg Civic Long Term Disability Plan.

Relative to this, some employees retained "bridging" sick leave credits for the expressed purpose of providing sick leave credits during the 6 month LTD waiting period. These bridging credits expire when 958 hours are accrued under the Manitoba Hydro sick leave plan or once they have been utilized to satisfy the LTD waiting period.

3. Life Insurance:

Employees participating in the WCEBP are covered by the Winnipeg Civic Employees' Group Life Insurance Plan.

Some members of this employee group also participate in an additional group life insurance plan with coverage in the amount of \$5,000 through Great West Life. Manitoba Hydro administers this coverage.

4. Severance Pay:

At the conclusion of the 2005/2006 negotiations, the Corporation and its Unions agreed to allocate 0.5% of benefit improvements to allow for the formation of the Enhanced Hydro Benefit Plan (EHBP). Since employees participating in the WCEBP are not eligible for either the Civil Service Superannuation Fund or the EHBP, they receive a benefit in kind.

This employee group will receive 5.75 hours of Severance Credits in 2007 and 9.6 hours of Severance Credits for each fiscal year thereafter. Part-time employees will receive prorated severance credits based on hours worked.

Although these severance credits are separate and distinct from the regular Corporate Service severance credits, they will be administered in the same fashion. These specific severance credits will only be paid at termination, retirement or death and will be accrued by this employee group regardless of their corporate service.

This letter represents an ongoing understanding between the parties and shall expire when all former Winnipeg Hydro employees have left the employ of the Corporation.
