

Celebrating Our Retiring Members

At CUPE Local 998, we believe it is important to recognize the members who have dedicated years of service to their workplaces, their union, and their fellow members.

Retirement is an important milestone. It marks the end of one chapter and the beginning of another and gives us an opportunity to acknowledge the hard work, commitment, and solidarity our members have demonstrated throughout their careers.

CUPE 998 Retirement Gift Program

As a token of appreciation, CUPE Local 998 provides a retirement gift to eligible members who are retiring. The benefit also applies when a member becomes incapacitated, including in the event of a member's passing.

To qualify, a member must:

- Be a member in good standing and free from delinquency with the Local.
- Have been a signed member of CUPE Local 998 for at least one year.

The retirement gift ranges from \$50 to \$500 and is prorated based on up to 25 years of CUPE seniority. In the event of a member's passing, the gift will be paid to their estate.

This gift is presented on behalf of the entire membership as a small but meaningful way of saying thank you for your years of service and solidarity.

Your Next Chapter

Retirement is not simply the end of a career. It is the beginning of a new chapter and an opportunity to spend more time with family and friends, pursue new interests, travel, volunteer, or simply enjoy some well-earned time for yourself.

The values that bring us together as union members, including fairness, respect, and solidarity, stay with us long after our working years are over.

To all our members approaching retirement, thank you for the contributions you have made and the legacy you leave for those who follow.

From all of us at CUPE Local 998, we wish you health, happiness, and many great years ahead.
